- English (Fluent)

PROFILE

I am a passionate full stack developer skilled in the MERN stack (MongoDB, Express.js, React.js, Node.js), dedicated to creating intuitive and efficient web applications. With experience in both front-end and back-end development, I excel in crafting solutions that blend design with functionality. My expertise in SQL, NoSQL, and Prisma complements my commitment to staying current with technological advancements. I am eager to bring my technical skills and creativity to new and exciting projects.

WORK EXPERIENCE

Edcent Inc
Intern
APRIL - SEPTEMBER 2023

- Enhanced hands-on skills in MERN stack (MongoDB, Express.js, React.js, Node.js) by working on personal projects.
- Gained practical experience in building REST APIs, implementing authentication, and managing databases.
- Gained experience in applying database management techniques, including SQL and NoSQL

Infoscert Xpression Streams Limited
Remote Web Development Internship
APRIL - SEPTEMBER 2023

- Designed and developed web templates using Bootstrap, enhancing front-end design skills.
- Participated in team meetings, providing updates and receiving assignments, which helped develop strong communication and teamwork skills.
- Tested and debugged web applications, improving attention to detail and problem-solving abilities.
